ODYSSEY

2015 EXTERIOR ACCESSORIES

MOONROOF VISOR

Choose it for its sleek, aerodynamic look and you get a surprising bonus. The Moonroof Visor also reduces wind noise and glare for a more comfortable and enjoyable driving experience.

- Aerodynamic construction allows air to circulate through the cabin, even in inclement weather
- Tinted acrylic is sturdy, attractive, longlasting, and crack-resistant

HOOD AIR DEFLECTOR

Individualize your Odyssey by giving it a sportier look with a Hood Air Deflector.

- Honda-manufactured components ensure a precise fit
- Redirects dirt, insects, and minor road debris to help keep windshield clean
- Helps protect the hood's finish

Cannot be installed with the Nose Mask.

Some components and colors may vary. Please see your Honda dealer for details.

NOSE MASK

Help protect the exposed front section of your new ride from rocks and pebbles, road debris, and insects with a snug-fitting vinyl Nose Mask.

- No-mar fasteners and covered mounting hooks help protect paint finish
- Multi-piece construction lets you open the hood without removing the mask
- Felt-lined backing provides a smooth, protective fit
- Resistant to mildew
- Storage bag included

Cannot be installed with the Hood Air Deflector.

DOOR VISORS

Enjoy some fresh air, even when the weather isn't ideal, with Door Visors.

- Durable polycarbonate material resists fading
- No-drill installation helps protect against corrosion
- Chrome accent matches vehicle styling

Door Visors may not be legal in all states. Please check the laws of your state.

Some components and colors may vary. Please see your Honda dealer for details.

BODY SIDE MOLDING

Body Side Molding accentuates the Odyssey's styling, but there's more to it than just good looks. It's ideally positioned where the side panel extends out the most, in order to help protect against door dings and scratches.

- Color-matched to original factory specifications
- Custom-fit specifically for your Odyssey

Some components and colors may vary. Please see your Honda dealer for details.

FOG LIGHTS

Fog Lights can add visibility crucial in navigating poor weather conditions, including rain and snow, as well as dense fog.

- Precision optics provide a highly controlled light pattern to enhance visibility
- Special housing is resistant to water, impact, and corrosion
- Plug-in connectors mean no wire splicing or cutting, which enhances reliability

DOOR EDGE GUARDS

Door Edge Guards help protect your doors from nicks and scrapes that can be expensive to repair.

- Color-matched for a factory appearance

SPLASH GUARD SET

Splash Guards are a nice finishing touch. They give your Odyssey a great look and help protect your paint from chips and stains.

- Custom-fitted in wheel wells to blend in with vehicle design
- No-drill installation helps protect against corrosion
- Superior strength and durability in nearly any weather condition

Some components and colors may vary. Please see your Honda dealer for details.

SKI ATTACHMENT

The skiing has been great, but now your skis are dirty, drippy, wet, maybe even a little muddy, too. Do you really want to load them inside your Odyssey?

- Lockable Ski Attachment can carry up to four pairs of skis and poles (if bindings offer enough clearance)
- Oversized push button for easier opening when wearing gloves
- Can also accommodate two snowboards instead of skis

Requires Roof Rails and Crossbars.

SNOWBOARD ATTACHMENT

If transporting unwieldy snowboards is in your future, the best way is with the lockable Snowboard Attachment.

- Fully adjustable to accommodate all board sizes and widths
- Two snowboards can be carried by each attachment
- Angled design raises the bindings to prevent contact with the roof

Requires Roof Rails and Crossbars.

Some components and colors may vary. Please see your Honda dealer for details.

SURFBOARD ATTACHMENT

When the surf's up, your best friend is your board. Your next best friend is a Surfboard Attachment.

- The cradle design provides a lateral stability that holds your board snugly
- Soft, thermoplastic-lined cradle and adjustable padded straps
- Carries two boards when used with the additional Surf Strap

Requires Roof Rails and Crossbars.

Some components and colors may vary. Please see your Honda dealer for details.

18-IN BLACK ALLOY WHEELS

The perfect way to add extra wow factor to your new Odyssey. Alloy wheels not only look amazing, they can help ensure the longevity of wheel bearings, suspension joints, and wheels.

- Wheels are stringently tested to match all Honda requirements, as well as those from the Society of Automotive Engineers
- Hub-centric design ensures an exact fit for wheel balance and less vibration to ensure a smooth ride
- Width-matched to fit your car precisely for proper clearance and handling
- Clear-coat finish over the front of the wheels helps prevent corrosion and makes cleaning easier

New tires are required for some applications.

Some components and colors may vary. Please see your Honda dealer for details.

WHEEL LOCKS

The best way to ensure that your great looking wheels stay on your Odyssey where they belong.

- Functions like a regular lug nut, but requires a special key tool for installation and removal
- Chrome-plated triple nickel finish for a brilliant shine and corrosion prevention
- Hardened-steel construction is durable and theft-resistant
- Includes a handy storage pouch to keep the key socket from being misplaced

TENT

You never need reservations when you bring your very own camping system along with you.

- 10 ft by 10 ft sleeps 6 people
- 6 ft by 6 ft rainfly extends usable area and provides added protection for the entire roof
- Full access to vehicle while inside tent
- Great for tailgating or as a shaded environment for outdoor gatherings
