

2016

# CIVIC

Imagine.

Civic Touring Sedan shown in Lunar Silver Metallic.

Surrender.

Civic Touring Sedan shown in Crystal Black Pearl.

**CONQUER THE COMPETITION.  
2016 North American Car of the Year**

With an aggressive new exterior and available new turbocharged engine, the redesigned 2016 Civic never plays catch-up.

THE ALL-NEW 2016 CIVIC

Aggressive by design.

17-INCH ALLOY WHEELS

LED HEADLIGHTS

Comforting by nature.

Civic Touring Sedan shown with Ivory Leather.

**17-INCH ALLOY WHEELS**  
The Civic has a new look, accented by stunning 17-inch alloy wheels (EX-T and above).

**LED HEADLIGHTS**  
LED Daytime Running Lights (DRL) make a distinctive impression. Touring models also feature all-LED headlights.

The redesigned interior combines a premium feel with available innovative technology like heated front seats and a 7-inch Display Audio touch-screen.

Honda LANEWATCH™<sup>2</sup>

APPLE CARPLAY™<sup>3</sup>

ANDROID AUTO™<sup>4</sup>

POWER FRONT SEATS

REMOTE ENGINE START

STEERING WHEEL-MOUNTED CONTROLS

CENTER CONSOLE STORAGE

HEATED OUTBOARD REAR SEATS

ELECTRIC PARKING BRAKE

**7-INCH DISPLAY AUDIO TOUCH-SCREEN**  
Touch, pinch and swipe your way through music, podcasts and more using this available touch-screen.

**DRIVER INFORMATION INTERFACE**  
A color screen right behind the steering wheel displays what's playing, who's calling and almost everything else you need to know (select models).

**STEERING WHEEL-MOUNTED CONTROLS**  
Change the music or answer a call via Bluetooth® HandsFreeLink®. Your hands never leave the wheel, and your eyes never leave the road.\*

**Honda LANEWATCH<sup>2</sup>**  
Signal right and an available small camera displays live video on your Display Audio screen, revealing nearly four times more than the passenger-side mirror alone.

**APPLE CARPLAY<sup>3</sup>**  
The available Apple CarPlay feature gives you access to several iPhone® features on the Display Audio touch-screen.

**ANDROID AUTO<sup>4</sup>**  
Android smartphone users can access Google Maps, Google Now, messages, music and other popular apps with the available Android Auto feature.

**POWER FRONT SEATS**  
Easily find the perfect driving position with eight ways to adjust (EX-L, Touring Sedan). The front passenger enjoys 4-way power adjustment as well (Touring Sedan).

**REMOTE ENGINE START**  
Available remote engine start lets you pre-heat or cool your Civic, and be ready to go when you reach the door.

**ELECTRIC PARKING BRAKE**  
A new electric parking brake replaces the conventional hand lever with a simple, sleek switch.

**CENTER CONSOLE STORAGE**  
A massive console with an adjustable beverage holder gives you enough room to store your essentials and hide your valuables.

**HEATED OUTBOARD REAR SEATS**  
These heated outboard rear seats help keep your passengers extra cozy (Touring Sedan).

\*Drive responsibly. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. For safety reasons, always launch your audio application or perform any other operation on your phone or audio device only when the vehicle is safely parked.

Sleeker.

Civic Touring Sedan shown in Rallye Red.

Smarter.

Honda SENSING™

Sedan models with front crash prevention features.

Both the Civic Sedan and Coupe are available with Honda Sensing, a suite of safety and driver-assistive technologies that can help you sense things you might miss while driving.

**COLLISION MITIGATION BRAKING SYSTEM™ (CMBS™)**<sup>5</sup>  
Helps bring your Civic to a stop by automatically applying brake pressure when the system determines a frontal collision is unavoidable.

**ROAD DEPARTURE MITIGATION SYSTEM (RDM)**<sup>6</sup>  
RDM can determine if you cross over detected lanes without signaling and can even provide steering and braking assistance to help you stay in your lane.

**FORWARD COLLISION WARNING (FCW)**<sup>7</sup>  
The FCW system can help sense the presence of vehicles in front of you, and if it calculates that you're at risk of colliding with a detected vehicle, it activates audible and visible alerts.

**LANE DEPARTURE WARNING (LDW)**<sup>8</sup>  
A small camera searches for lane markings on the road. If it detects the driver making an unindicated lane departure, visual and audible alerts will signify the departure.

**LANE KEEPING ASSIST SYSTEM (LKAS)**<sup>9</sup>  
Long highway drives are easier with LKAS, which subtly adjusts steering to help keep the Civic centered in a detected lane.

**ADAPTIVE CRUISE CONTROL (ACC)**<sup>10</sup> WITH LOW-SPEED FOLLOW  
ACC helps you maintain a set following interval. After stopping, a tap on the throttle instructs the car to continue maintaining the desired interval between the vehicles.

Pause for effect.

Civic Touring Coupe shown with Black/Gray Leather.

Fast forward.

Civic Touring Coupe shown in Aegean Blue Metallic.

Introducing the most stunning Civic Coupe ever. The next thrilling evolution of our sport compact legend.

With an aggressive new fastback design and an available turbocharged engine, the Civic Coupe is as quick as it looks.

Civic Touring Coupe shown in Aegean Blue Metallic with accessory Wing Spoiler.

FRONT UNDERBODY SPOILER

17-INCH ALLOY WHEELS

WING SPOILER

**FRONT UNDERBODY SPOILER**

This accessory front underbody spoiler adds a subtle, custom look to your Civic. Manufactured by Honda for a precise fit and easy installation (Touring shown).

**17-INCH ALLOY WHEELS**

These stunning 17-inch alloy wheels are designed exclusively as a Honda Genuine Accessory, helping make your Civic more one-of-a-kind.

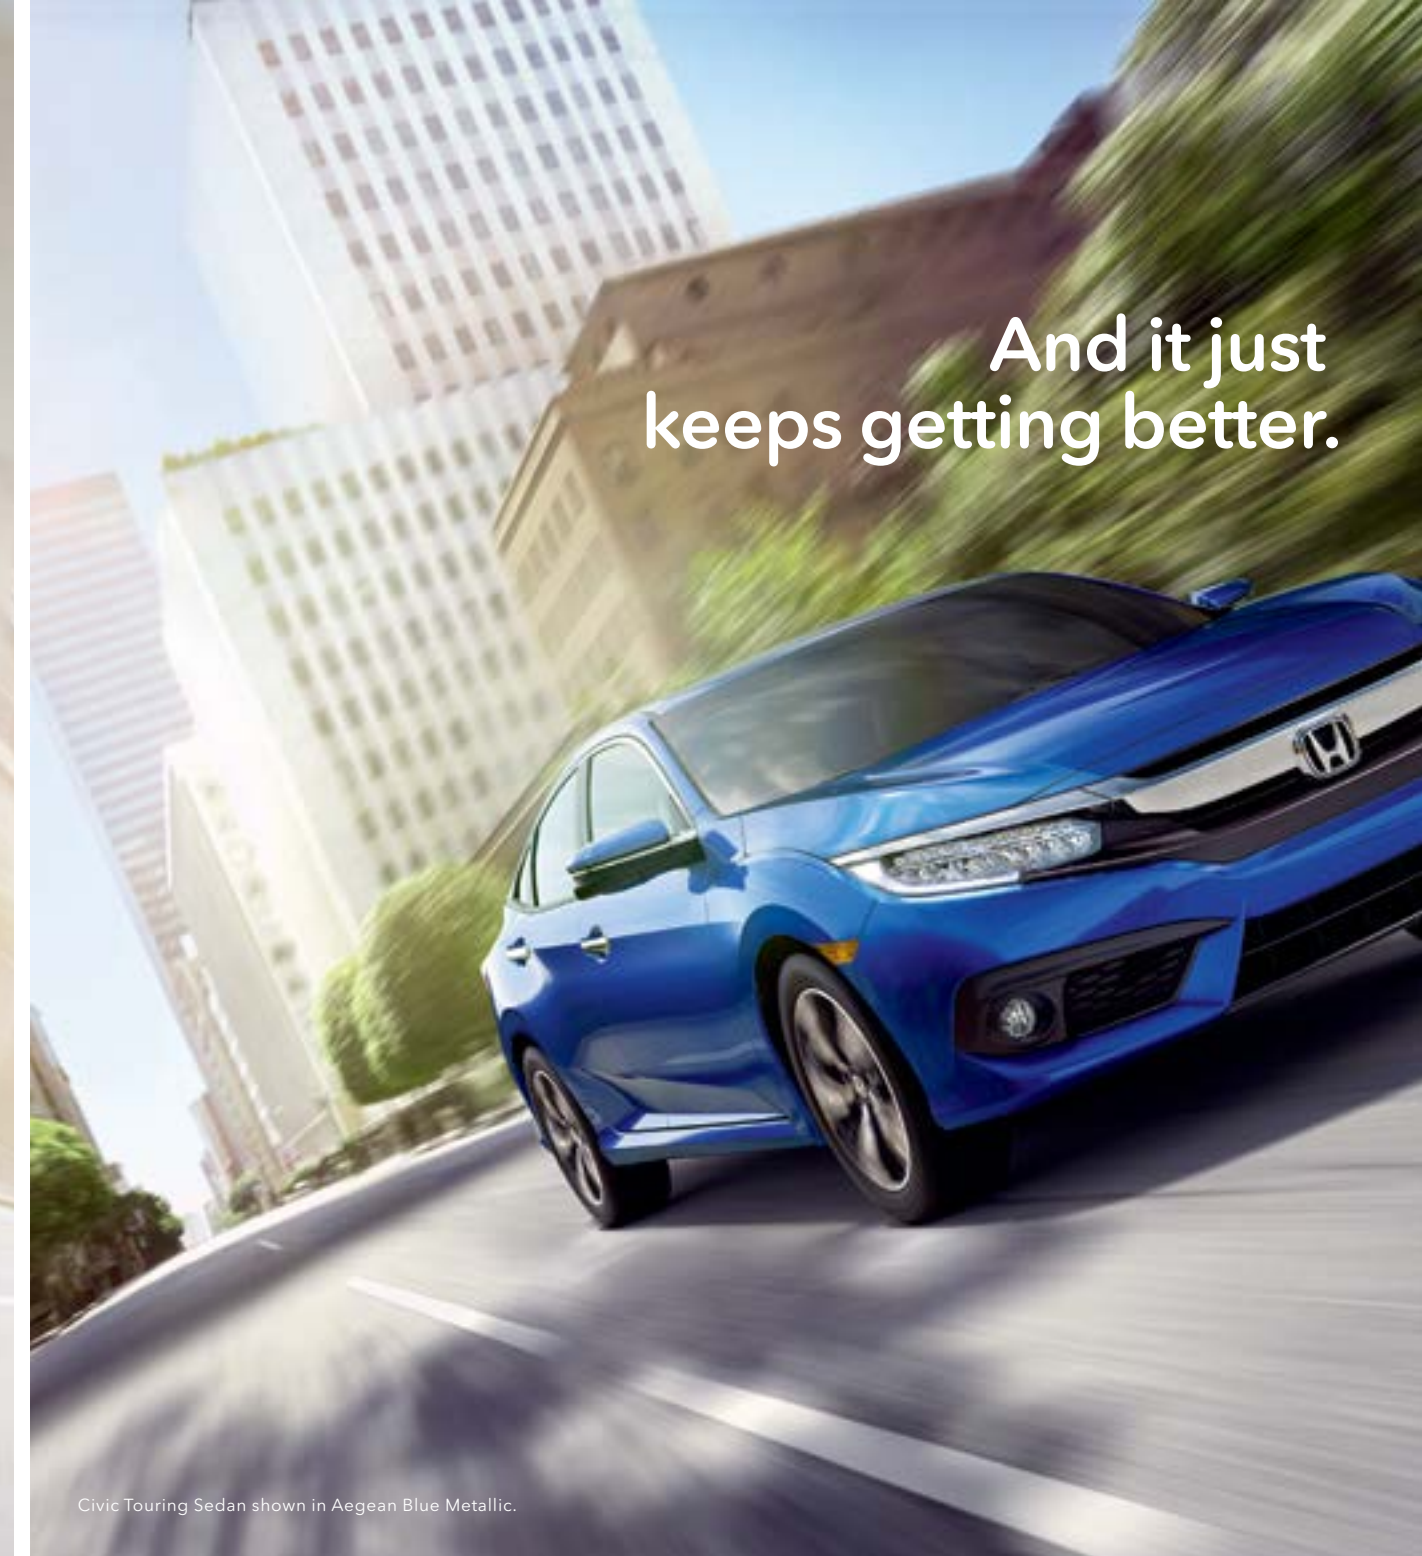

**WING SPOILER**

Give your new Civic an aerodynamic exclamation point with this color-matched Honda Genuine Accessory.

It's come a long way.

Civic Touring Sedan shown in Modern Steel Metallic.

And it just keeps getting better.

Civic Touring Sedan shown in Aegean Blue Metallic.

Even with a storied heritage spanning over 40 years, the Civic continues to push the boundaries of automotive engineering.

**LIGHTER**

A redesigned engine and chassis helps the Civic shed weight, increasing its power-to-weight ratio and handling characteristics.

**SHARPER**

The Civic is designed with a revised suspension for more lateral support while cornering, plus wider tires for increased grip and reduced braking distance.

\*SAE net.

**FASTER**

An all-new 1.5-liter turbocharged and intercooled engine produces a thrilling 174 hp\* and 162 lb-ft of torque\*, and a new dual exhaust system helps optimize airflow (EX-T and above).

Rebellious.

Civic Touring Coupe shown in Energy Green Pearl with accessory Wing Spoiler.

Overachiever.

Civic Touring Sedan shown in Cosmic Blue Metallic.

EARTH DREAMS® TECHNOLOGY

**SHOW OFF**

Lower, shorter and more aggressive, the Civic Coupe lets you show your wild, sensible side.

**AWESOME EFFICIENCY**

The Civic earned an impressive 42-mpg highway rating,\* thanks to reduced weight, direct injection engine technology and an efficient continuously variable transmission (CVT).

\*31 city/42 highway/35 combined mpg rating for EX-T, EX-L and Touring Sedan models. Based on 2016 EPA mileage ratings. Use for comparison purposes only. Your mileage will vary depending on how you drive and maintain your vehicle, driving conditions and other factors.

Your safety is our priority.

Civic Touring Sedan shown in Lunar Silver Metallic.

MULTI-ANGLE REARVIEW CAMERA<sup>12</sup>

## SAFETY

Every Civic is equipped with advanced safety features designed to help protect you and your passengers, mile after mile.

### ACE™ BODY STRUCTURE

By distributing frontal impact energy more evenly throughout the vehicle, the Advanced Compatibility Engineering™ body structure helps protect passengers.

### SMARTVENT® AIRBAGS

Front side airbags feature SmartVent technology designed specifically to help protect the driver's or front passenger's upper torso in the event of a side-impact collision.\*

### TIRE PRESSURE MONITORING SYSTEM (TPMS)<sup>11</sup>

Because lost tire pressure can dramatically affect a vehicle's performance, TPMS is designed to alert you if air pressure becomes significantly low in any tire.

### ADVANCED BRAKING

An anti-lock braking system (ABS) helps prevent wheels from locking up when braking hard, while Electronic Brake Distribution (EBD) balances braking forces at each wheel based on how the Civic is dynamically loaded.

### MULTI-ANGLE REARVIEW CAMERA<sup>12</sup>

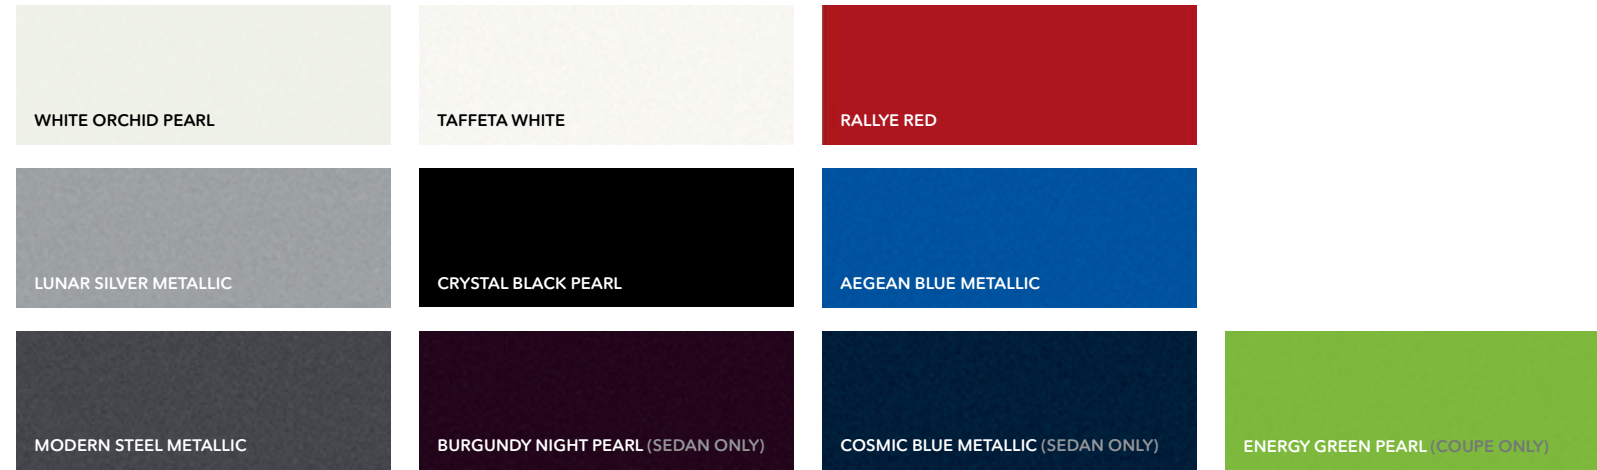

See more of what's behind you with the multi-angle rearview camera with guidelines, which comes standard on every Civic.

### VEHICLE STABILITY ASSIST™ (VSA®) WITH TRACTION CONTROL

VSA helps you stay on course in the event of an understeer or oversteer condition by braking individual wheels and/or reducing engine power to help restore your intended course.†

\*Honda reminds you and your passengers to always use seat belts and appropriate child seats. Children 12 and under are safest when properly restrained in the rear seat. †VSA is not a substitute for safe driving. It cannot correct the vehicle's course in every situation or compensate for reckless driving. Control of the vehicle always remains with the driver.

EXTERIOR

CIVIC SEDAN

LX

- 158-hp;<sup>14</sup> 2.0-liter DOHC i-VTEC® 4-cylinder engine
- 6-speed manual or available continuously variable transmission (CVT)
- Electric parking brake with automatic brake hold
- Hill start assist
- 16-inch wheels with full covers
- Multi-angle rearview camera<sup>12</sup> with guidelines
- LED Daytime Running Lights (DRL)
- One-touch turn indicators
- Taillights with integrated LED light bars
- 160-watt audio system with 4 speakers
- Available Honda Sensing™ suite of safety and driver-assistive features (CVT model only)

EX adds to or replaces LX features

- Remote engine start
- Standard continuously variable transmission (CVT)
- 16-inch alloy wheels
- Honda LaneWatch™<sup>2</sup>
- Heated side mirrors
- One-touch power moonroof with tilt feature
- Smart Entry
- Push button start
- 60/40 split fold-down rear seatback
- 180-watt audio system with 8 speakers
- Apple CarPlay™<sup>3</sup>
- Android Auto™<sup>4</sup>

EX-T adds to or replaces EX features

- 174-hp;<sup>15</sup> 1.5-liter turbocharged and intercooled DOHC 4-cylinder engine with direct injection
- 17-inch alloy wheels
- Fog lights
- Body-colored decklid spoiler
- Dual-zone automatic climate control system
- Heated front seats
- SiriusXM® Radio<sup>16</sup>
- HD Radio™<sup>17</sup>

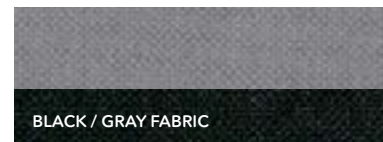

SEDAN INTERIOR LX, EX & EX-T

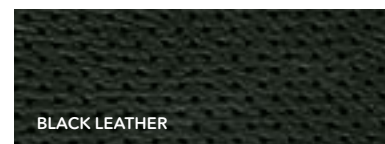

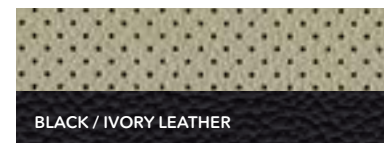

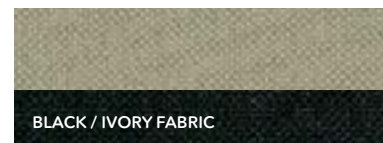

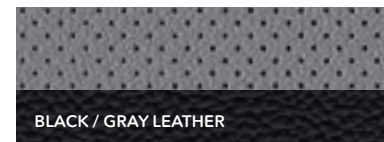

SEDAN INTERIOR EX-L & TOURING

COUPE INTERIOR LX, LX-P & EX-T

COUPE INTERIOR EX-L & TOURING

EX-L adds to or replaces EX-T features

- Automatic-dimming rearview mirror
- Leather-wrapped steering wheel and shift knob
- Driver's seat with 8-way power adjustment
- Leather-trimmed seats
- Available Honda Satellite-Linked Navigation System™<sup>18</sup> with voice recognition and Honda HD Digital Traffic

TOURING adds to or replaces EX-L features

- Standard Honda Sensing suite of safety and driver-assistive features
- Standard Honda Satellite-Linked Navigation System<sup>18</sup> with voice recognition and Honda HD Digital Traffic
- LED turn indicators (headlights and side mirrors)
- Chrome door handles
- Rain-sensing windshield wipers
- LED headlights (low & high beam) with auto-on/off
- Heated outboard rear seats
- Front passenger's seat with 4-way power adjustment
- 450-watt premium audio system with 10 speakers, including subwoofer

CIVIC COUPE

LX

- 158-hp;<sup>14</sup> 2.0-liter DOHC i-VTEC 4-cylinder engine
- 6-speed manual or available continuously variable transmission (CVT)
- Electric parking brake with automatic brake hold
- Hill start assist
- 16-inch alloy wheels
- Multi-angle rearview camera<sup>12</sup> with guidelines
- LED Daytime Running Lights (DRL)
- One-touch turn indicators
- Taillights with integrated LED light bars
- 60/40 split fold-down rear seatback
- 160-watt audio system with 4 speakers

LX-P adds to or replaces LX features

- Remote engine start
- Standard continuously variable transmission (CVT)
- One-touch power moonroof with tilt feature
- Smart Entry
- Push button start

EX-T adds to or replaces LX-P features

- 174-hp;<sup>15</sup> 1.5-liter turbocharged and intercooled DOHC 4-cylinder engine with direct injection
- 17-inch alloy wheels
- Fog lights
- Honda LaneWatch<sup>2</sup>
- Heated side mirrors
- Dual-zone automatic climate control system
- Heated front seats
- 450-watt premium audio system with 10 speakers, including subwoofer
- Apple CarPlay<sup>3</sup>
- Android Auto<sup>4</sup>
- SiriusXM Radio<sup>16</sup>
- HD Radio<sup>17</sup>

EX-L adds to or replaces EX-T features

- Automatic-dimming rearview mirror
- Leather-wrapped steering wheel and shift knob
- Leather-trimmed seats

TOURING adds to or replaces EX-L features

- Honda Sensing suite of safety and driver-assistive features
- Honda Satellite-Linked Navigation System<sup>18</sup> with voice recognition and Honda HD Digital Traffic
- LED turn indicators (headlights and side mirrors)
- Chrome door handles
- Rain-sensing windshield wipers
- LED headlights (low & high beam) with auto-on/off

**HONDA Financial Services**  
Whether you buy or lease a Honda vehicle, Honda Financial Services can assist you with the process. Please ask your dealer which lease or purchase plan best suits your needs.

**HONDA care**  
Honda Care® is an affordable, comprehensive vehicle and travel protection plan backed by Honda reliability, service and parts. Please see your Honda dealer for details.

**HONDA GENUINE ACCESSORIES**  
Manufactured to the same strict standards as Honda vehicles, Honda Genuine Accessories are the perfect way to personalize and protect your vehicle. Please see your Honda dealer for details.

All 2016 Honda vehicles – and any Honda Genuine Accessories installed at the time of vehicle purchase – are covered by a 3-year/36,000-mile limited warranty.<sup>13</sup> Plus, Honda cars and trucks are covered by a 5-year/60,000-mile Limited Powertrain Warranty,<sup>13</sup> too. For more information or assistance, see your Honda dealer or please give us a call at 1-800-33-Honda.

24-hour emergency road service is available to you in the United States, Puerto Rico and Canada throughout your 3-year/36,000-mile limited warranty term, starting with 2015 vehicles. Services include jump-starting, flat tire and lockout assistance, towing, and more (limitations apply). Call 1-866-864-5211.

For more information and complete specifications, go to [civic.honda.com](http://civic.honda.com)

<sup>1</sup>The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Honda Motor Co., Ltd., is under license. <sup>2</sup>Display accuracy will vary based on weather, size of object and speed, and the display may not show all relevant traffic. The display is not a substitute for your own direct visual assessment of traffic conditions before changing lanes. <sup>3</sup>Apple CarPlay is a trademark of Apple Inc. <sup>4</sup>Android and Android Auto are trademarks of Google Inc. <sup>5</sup>Depending on the circumstances, CMBS may not go through all the alert stages before initiating the last stage (of collision mitigation). CMBS cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by high interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. <sup>6</sup>Road Departure Mitigation (RDM) only alerts drivers when lane drift is detected without a turn signal in use and can apply mild steering torque to assist driver in maintaining proper lane position and/or brake pressure to slow the vehicle's departure from a detected lane. RDM may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. <sup>7</sup>Forward Collision Warning (FCW) cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. FCW does not include a braking function. Driver remains responsible for safely operating vehicle and avoiding collisions. <sup>8</sup>Lane Departure Warning (LDW) only alerts drivers when lane drift is detected without a turn signal in use. LDW may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. <sup>9</sup>LKAS only assists driver in maintaining proper lane position when lane markings are identified without a turn signal in use and can only apply mild steering torque to assist. LKAS may not detect all lane markings; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. <sup>10</sup>Adaptive Cruise Control (ACC) with low-speed follow cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed, and other factors. ACC should not be used in heavy traffic, poor weather, or on winding roads. Driver remains responsible for safely operating vehicle and avoiding collisions. <sup>11</sup>For optimal tire wear and performance, tire pressure should be checked regularly with a gauge. Do not rely solely on the monitor system. Please see your Honda dealer for details. <sup>12</sup>Always visually confirm that it is safe to drive before backing up; the rearview camera display does not provide complete information about all conditions and objects at the rear of your vehicle. <sup>13</sup>3-Year/36,000-Mile Limited Warranty. 5-Year/60,000-Mile Limited Powertrain Warranty. Ordinary maintenance or adjustments, parts subject to normal wear and replacement, and certain items are excluded. Please see your Honda dealer for the terms and conditions of the limited warranties. <sup>14</sup>158 hp @ 6500 rpm (SAE net). <sup>15</sup>174 hp @ 5500 rpm (SAE net). <sup>16</sup>SiriusXM services require a subscription after any trial period. If you decide to continue your SiriusXM service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call SiriusXM at 1-866-635-2349 to cancel. See our Customer Agreement for complete terms at [www.siriusxm.com](http://www.siriusxm.com). Fees and programming subject to change.
