THE ALL-NEW 2017 CIVIC HATCHBACK:

REBELLIOUS BY NATURE

Say hello to the untamed Civic Hatchback, sporting all-new styling with piano black detailing, a body-colored rear roofline spoiler, and honeycomb panels in the front and rear. Along with a turbocharged engine and astonishing utility, it’s the Civic that’s unafraid to defy boundaries and obliterate expectations.

DUAL EXHAUST
The turbocharged power of Civic Hatchback is highlighted by a standard dual exhaust system, with Sport and Sport Touring models featuring a center-mounted exhaust.

18-INCH ALLOY WHEELS
Bigger is beautiful. Aggressive new styling turns heads in the form of stunning 18-inch alloy wheels (Sport, Sport Touring).

TAILLIGHT DESIGN
Distinct impressions are in the details. The disruptive design of the Civic Hatchback can be seen from front to back, including taillights accentuated by sleek LED light bars.
The Civic Hatchback is made for those who love to drive, and appreciate an enhanced level of versatility and comfort along the way. Relax into premium features while innovative technology helps keep you connected through a 7-inch Display Audio touch-screen (EX and above).

**DISTINCTLY INTUITIVE**

**DYNAMIC GAUGES**
An available Driver Information Interface (DII) highlights all the info you need to drive with confidence and enjoy the journey.

**Honda LANEWATCH ®**
Signal right and a small camera displays live video on your Display Audio screen, revealing nearly four times more than the passenger-side mirror alone (EX and above).

**STEERING WHEEL-MOUNTED CONTROLS**
Change the music or answer a call via Bluetooth ®. HandsFreeLink. ® Your hands never leave the wheel, and your eyes never leave the road. 

**ANDROID AUTO ®**
Android smartphone users can access Google Maps ®, Google Now ®, messages, music and other popular apps with the available Android Auto feature.

**PADDLE SHIFTERS**
The Civic Hatchback puts a more thrilling ride at your fingertips thanks to this easily accessible offering (Sport with CVT, Sport Touring).

**TEXTURED ALUMINUM PEDALS**
Feel the rush from head to toe. Racing-inspired pedals are available to excite every drive (Sport, Sport Touring).

**MANUAL SHIFTER**
A 6-speed manual transmission helps you master the performance domain of the Civic Hatchback as you feel every bit of power from the turbocharged engine (LX, Sport).

*Driver responsibility. Some state laws prohibit the operation of handheld electronic devices while driving. Always stop vehicle before operating handheld electronic devices. Use of cell phones and other handheld electronic devices are prohibited while driving. Please contact your local dealer for a copy of your state’s driving regulations. Use of equipment that in any way interferes with your ability to safely operate your vehicle is illegal.*
SAFETY/DRIVER-ASSISTIVE:

The Civic Hatchback is always trying to look out for you, thanks to a full suite of available safety and driver-assistive technologies that can help you avoid or mitigate a collision.

ROAD DEPARTURE MITIGATION SYSTEM (RDM)™
RDM can determine if you cross over detected lanes without signaling, can provide steering assistance to help you stay in your lane or provide braking to keep from leaving the roadway entirely.

LANE KEEPING ASSIST SYSTEM (LKAS)™
With your hands on the steering wheel, long highway drives are easier with LKAS, which subtly adjusts steering to help keep the Civic centered in a detected lane.

ADAPTIVE CRUISE CONTROL (ACC)™ WITH LOW-SPEED FOLLOW
ACC helps you maintain a set following interval for highway driving. After stopping, a tap on the throttle instructs the car to continue maintaining the desired interval.

COLLISION MITIGATION BRAKING SYSTEM™ (CMBS™)
CMBS can help bring your Civic to a stop by automatically applying brake pressure when the system determines a frontal collision is unavoidable.

FORWARD COLLISION WARNING (FCW)™
The FCW system can sense the presence of vehicles in front of you, and if it calculates that you’re at risk of colliding with a detected vehicle, it activates audible and visual alerts.

LANE DEPARTURE WARNING (LDW)™
A small camera searches for lane markings on the road. If it detects the driver making an unindicated lane departure, visual and audible alerts will signify the departure.

ADVANCED COMPATIBILITY ENGINEERING™
(ACE™) BODY STRUCTURE
The ACE body structure is a Honda-exclusive body design that enhances occupant protection and crash compatibility in frontal collisions.

SMARTVENT® AIRBAGS
Front side airbags feature SmartVent technology specifically designed to help protect the driver’s or front passenger’s upper torso in the event of a side-impact collision.*

VEHICLE STABILITY ASSIST™ (VSA™)
VSA helps you stay on course in the event of an understeer or oversteer condition by braking individual wheels and/or reducing engine power to help restore your intended course.*

MULTI-ANGLE REARVIEW CAMERA™
Backing up doesn’t have to be a guessing game. See more of what’s behind you with the multi-angle rearview camera with guidelines — a standard feature on every Civic.

1 Display accuracy will vary based on weather, size of object and speed, and the display may not show all relevant traffic. The display is not a substitute for your own direct visual assessment of traffic conditions before changing lanes.
2 The rearview camera does not provide complete information about all conditions and objects at the rear of your vehicle. Always visually confirm that it is safe to drive before backing up.
3 Honda reliability, service and parts. Please see your Honda dealer for details.
4 Honda reminds you and your passengers to always use seat belts and appropriate child seats. Children 12 and under are safest when properly restrained in the rear seat.
5 Honda Genuine Accessories are manufactured to the same strict standards as your Honda vehicle. Honda Financial Services. 17SiriusXM services require a subscription after any trial period. If you decide to continue your SiriusXM service at the then-current rates, your plan will automatically renew and bill at then-current rates until you call SiriusXM at 1-866-635-2349 to cancel.
6 This manual describes the VSA system as a safety feature. A vehicle with this system is not immune to loss of control, and the VSA system is not a substitute for safe driving. Always exercise caution. Honda Financial Services. 7CMBS (Collision Mitigation Braking System) is a supplemental system. CMBS cannot prevent all collisions and injury. Always exercise caution, and never rely solely on the system to mitigate a collision or vehicle damage. Honda Financial Services.

### LX

- 174-hp,\(^{12}\) 1.5-liter turbocharged and intercooled DOHC 4-cylinder engine with direct injection
- 6-speed manual or available continuously variable transmission (CVT)
- Electric parking brake with automatic brake hold
- Hill start assist
- 16-inch alloy wheels
- Multi-angle rearview camera\(^{10}\) with guidelines
- LED Daytime Running Lights (DRL)
- One-touch turn indicators
- Projector-beam halogen headlights with auto-on/off
- Rear window wiper/washer with heated wiper zone
- Body-colored rear roofline spoiler
- Fin-type roof-mounted antenna
- Automatic climate control system
- Power windows with auto-up/down driver's and front passenger's windows
- Front passenger's Windows
- Tilt and telescopic steering column
- Capless fuel filler
- 5-inch color LCD screen
- Bluetooth\(^{2}\) HandsFreeLink\(^{2}\) and streaming audio
- USB Audio Interface\(^{15}\) (front)
- Available Honda Sensing\(^{TM}\) suite of safety and driver-assistive features (CVT model only)

### Sport adds to or replaces LX features

- 180-hp,\(^{14}\) 1.5-liter turbocharged and intercooled DOHC 4-cylinder engine with direct injection
- Dual-mode paddle shifters (CVT model)
- 18-inch alloy wheels
- Underbody spoiler kit
- Center outlet dual exhaust system
- Fog lights
- Textured aluminum pedals
- Leather-wrapped steering wheel and shift knob (Honda Sensing suite not available on Sport)

### EX adds to or replaces LX features

- Remote engine start
- Standard continuously variable transmission (CVT)
- 17-inch alloy wheels
- Multi-angle rearview camera\(^{10}\) with dynamic guidelines
- Honda LaneWatch\(^{TM}\)
- Heated front seats and side mirrors
- Fog lights
- One-touch power moonroof with tilt feature
- Smart Entry with push button start
- Dual-zone automatic climate control system
- USB Audio Interface\(^{15}\) (front and center console)
- 7-inch Display Audio with electrostatic touch-screen
- HondaLink\(^{TM}\)
- Apple CarPlay\(^{TM}\)
- Android Auto\(^{TM}\)
- SiriusXM\(^{TM}\) Radio
- HD Radio\(^{TM}\)

### Ex-L Navi adds to or replaces EX features

- Automatic-dimming rearview mirror
- Driver's seat with 8-way power adjustment
- Leather-trimmed seats
- Leather-wrapped steering wheel
- Leather-wrapped shift knob
- Honda Satellite-Linked Navigation System\(^{TM}\) with voice recognition and Honda HD Digital Traffic

### Sport Touring (Available early 2017)

- 180-hp,\(^{14}\) 1.5-liter turbocharged and intercooled DOHC 4-cylinder engine with direct injection
- Dual-mode paddle shifters
- 18-inch alloy wheels
- Side mirrors with integrated LED turn indicators
- Underbody spoiler kit
- Center outlet dual exhaust system
- Rain-sensing windshield wipers
- LED headlights (low & high beam) with auto-on/off
- Textured aluminum pedals
- Heated outboard rear seats
- Front passenger’s seat with 4-way power adjustment
- 540-watt premium audio system with 12 speakers, including subwoofer
- Standard Honda Sensing suite of safety and driver-assistive features
