UPGRADE EVERY OUTING

A spur-of-the-moment day trip, or a night on the town. A weekend drive to your favorite getaway, or a quick detour to satisfy that sweet tooth. Wherever your next adventure leads you, the sleek and versatile Honda Pilot will help you make the most of it.
ALL-WHEEL DRIVE: THE WORLD IS CALLING

Finding adventure in the Pilot is easy, thanks to the available intelligent Variable Torque Management™ (i-VTM4™) AWD system. Because it allows you to get out and explore the world from the comfort of the driver’s seat.
INTELLIGENT TRACTION MANAGEMENT
Driving to secluded beaches. Taking those mountaneous trails. Savoring those snow-covered roads. With just the push of a button to select your mode, your Pilot will optimize handling based on the terrain you find yourself taking (EX and above).

*Snow mode only on 2WD models. Snow, Mud and Sand modes on AWD models. Pilot Elite shown in Obsidian Blue Pearl with accessory crossbars and surfboard attachment.
INTERIOR DESIGN

UPSCALE AND AWAY

When you sit in the Pilot, there are a few things you’ll notice right away. Superb styling. Upscale amenities. Attention to detail. Because when you’re in the Pilot, every drive is a chance to treat yourself.
THE FRONT SEAT OF INNOVATION

In the Pilot, forward-thinking technology doesn’t stop at the front seat. Even though the driver has a plethora of advanced features to choose from, rear-seat passengers can enjoy a range of comforts and conveniences too.

INTERIOR AMENITIES:

- **PANORAMIC ROOF**: Follow the sun, chase the moon or just stare up at the sky through a panoramic roof that provides another way to see the world (Elite).
- **HEATED 2ND-ROW CAPTAIN’S CHAIRS**: Although everyone rides in style in the Pilot Elite, 2nd-row passengers enjoy the added pleasures of a pair of heated captain’s chairs.
- **ONE-TOUCH 2ND-ROW SEATS**: Accessing the 3rd row is effortless. Easy-to-reach one-touch buttons automatically slide the 2nd-row seats forward without the need to push, pull or prod (EX-L and above).
BLU-RAY REAR ENTERTAINMENT
Passengers in the 2nd and 3rd rows enjoy high-definition entertainment thanks to a Blu-ray/DVD player (Touring, Elite).

MULTI-INFORMATION DISPLAY
The easy-to-read Multi-Information Display is right up front, ensuring that the information you want is always at the ready.

SIGNATURE LED HEADLIGHTS
The Pilot offers LED Daytime Running Lights (EX and above) with LED headlights (Elite) for a more stylish look and more illuminating performance.

INTEGRATED SUNSHADES
Let the sun shine in or enjoy the shade. The choice is yours with easily accessible built-in 2nd-row shades (EX-L RES and above).

CONNECTIVITY
There are many ways to plug and play via HDMI® (EX-L RES and above), multiple USB ports (EX and above), or an MP3 auxiliary input jack.

8-INCH DISPLAY AUDIO
By making news, social media, audio books and more accessible from the Display Audio screen, you’re never far from the info you want (EX and above).

HD RADIO® AND DIGITAL TRAFFIC
Stay up to date on current music trends with HD Radio (Elite) and current traffic conditions with the subscription-free Honda HD Digital Traffic (Navigation-equipped models).

Apple CarPlay®
The available Apple CarPlay feature gives you access to several iPhone® features on the Display Audio touch-screen.

ANDROID AUTO®
Android smartphone users can access Google Maps®, Google Now®, messages, music and other popular apps with the available Android Auto feature.

*In some cases, some state laws prohibit the use of handheld electronic devices while operating a vehicle. For safety reasons, always keep your hands on the wheel and your eyes on the road while driving. Never operate your phone or audio unless it is safely parked.
LIMIT, LESS

Life is all about variety. One day you’re shopping for groceries, the next day you’re off to the mountains for a completely different kind of adventure. That’s why you need a vehicle that’s as versatile as you, and where the interior of the Pilot truly shines.

DUAL POSITION REVERSIBLE CARGO LID
Flip the cargo lid up when you need a deeper space for taller items, or turn it over to keep the carpeted side clean when carrying wet or dirty items.*

FLEXIBLE CARGO MANAGEMENT
Whether you want to fit a double stroller or a giant cooler, the Pilot has the cargo capacity to help meet your needs.*

*Honda reminds you to properly secure cargo items.
**SAFETY / DRIVER-ASSISTIVE**

**LOOKING OUT FOR YOU**

The available safety and driver-assistive technologies can help you sense things you might miss while driving. In some cases, they can even help you avoid a collision or mitigate its severity.

COLLISION MITIGATION BRAKING SYSTEM™ (CMBS™)
CMBS can help bring your Pilot to a stop by automatically applying brake pressure when the system determines that a frontal collision is unavoidable.

ROAD DEPARTURE MITIGATION SYSTEM (RDM)
RDM can determine if you cross over detected lanes without signaling, can provide steering assistance to help you stay in your lane or provide braking to keep from leaving the roadway entirely.

LANE KEEPING ASSIST SYSTEM (LKAS)
With your hands on the steering wheel, long highway drives are easier with LKAS, which subtly adjusts steering to help keep the Pilot centered in a detected lane.

ADAPTIVE CRUISE CONTROL (ACC)
ACC helps you maintain a set following interval behind detected vehicles for highway driving.

BLIND SPOT INFORMATION SYSTEM (BSI)
BSI uses radar sensors to detect the presence of vehicles to the side and behind the Pilot, to assist you during lane changes. Warning indicators alert you if the system detects a vehicle in your blind spot.

CROSS TRAFFIC MONITOR
Sensors at the rear corners of the Pilot can detect approaching vehicles from either side when backing up. The driver is alerted by an audible chime and arrows within the rearview camera display.

*Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration’s (NHTSA’s) New Car Assessment Program (www.safercar.gov).
PERFORMANCE:

AT THE TOP OF ITS GAME

The Pilot comes with a 3.5-liter direct-injection V-6 EarthDreams® Technology engine that helps produce 280 horsepower\(^1\) and 262 lb-ft of torque\(^1\). The best part about all that power? The Pilot still received an impressive 27-mpg highway rating.*

9-SPEED AUTOMATIC TRANSMISSION

The Pilot literally leads the way as the first Honda to offer a 9-speed transmission (Touring, Elite). And sporty paddle shifters help you appreciate each one.

*20 city/27 highway/23 combined mpg rating for 2WD 9AT models. Based on 2017 EPA mileage ratings. Use for comparison purposes only. Your mileage will vary depending on how you drive and maintain your vehicle, driving conditions and other factors.
pressure should be checked regularly with a gauge. Do not rely solely on the monitor system. Please see your Honda dealer for details.

The system is not a substitute for your own visual assessment before changing lanes. BSI may not detect all objects behind or to the side of your vehicle. Please see your Honda dealer for details.

The system is designed to provide a useful assist in lane change situations, but its effectiveness depends on the driver’s actions and numerous factors, including road conditions, weather conditions, other drivers, vehicle size, and vehicle speed. The system is not a substitute for your own visual assessment before changing lanes. BSI may not detect all objects behind or to the side of your vehicle.

The system is designed to warn the driver in situations in which a collision is likely to occur; however, it is not a substitute for your own visual assessment and is limited by road, weather, speed, and other factors. The system is designed to provide a useful assist in lane change situations, but its effectiveness depends on the driver’s actions and numerous factors, including road conditions, weather conditions, other drivers, vehicle size, and vehicle speed. The system is not a substitute for your own visual assessment before changing lanes.
