# PROLOGUE

Honda Genuine Accessories

# Why you should buy Honda Genuine Accessories

As the proud owner of a brand new Honda, you have a unique opportunity to apply your own finishing touches. Make your Honda yours by choosing from a wide array of Honda Genuine Accessories that add style, protection, and convenience.

So now's the perfect time to tailor your ride to fit your personal needs and preferences.

## **Fit, Finish, and Functionality**

Honda Genuine Accessories are designed specifically for Honda vehicles, providing a factory color match, factory-installed appearance and functionality tailored to each individual model.

## **Quality**

Every Honda Genuine Accessory is engineered and tested to ensure that vehicle handling and safety performance are not compromised.

## **Warranty**

3-year/36,000-mile limited warranty plus convenient financing are available when accessories are installed at the time your Honda is originally purchased.

# Honda EV Chargers

Smart solutions to fit your lifestyle.

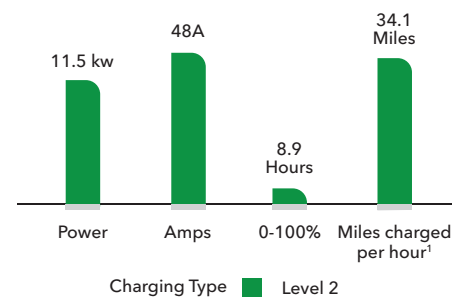

## Honda Home Charging Station 48

While you're relaxing at home, you can enjoy rapid, hassle-free, cost-efficient charging. It's the quickest, easiest way to maintain the recommended levels of 80% charge for everyday use and 100% for long trips.

- Conveniently charge at home
- Fastest home charging option
- 3-year product warranty
- Includes installation warranty when using a Honda certified professional installer
- WiFi connectivity for managing charging schedule

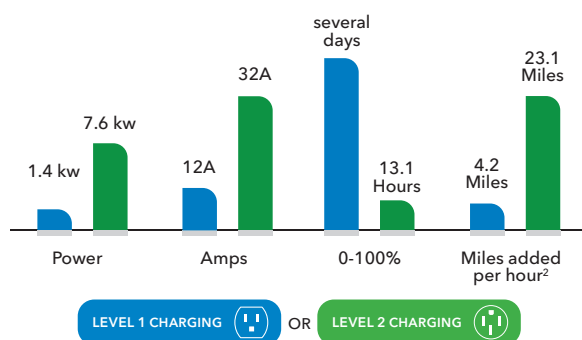

**Best for:**  
Home charging overnight  
for daily drivers.

## Honda Portable Charging Kit

For people driving less than 15 miles a day, apartment dwellers or home renters, this is an easy, convenient option for Level 1 charging. It's comforting to know you're never far from a power source during an unexpected or unplanned need of a charge.

- Includes Level 1 & Level 2 outlet adapters
- Charge on the go outside the home
- 3-year product warranty
- Includes a soft storage case
- Includes installation warranty when using a Honda certified professional installer

**Best for:**  
Plug-in home charging\* or  
low mileage daily drivers.  
\*May require installation.

<sup>1</sup>Estimated 34.1 mi. range based on internal testing and specific conditions using the Prologue and Honda Home Charging Station 48. Requires professionally installed 48A charge station on a 60A dedicated electrical circuit charge station, sold separately. <sup>2</sup>Estimated 23.2 mi. range based on internal testing and specific conditions using Honda Portable Charging Kit. Actual charge times/range will vary based on battery condition, output of charger, vehicle settings, outside temperature, and other factors. See the vehicle's Owner's Manual for additional limitations.

# Make the right connection.

Whether you need to install a Home Charging Station or upgrade an outlet to speed up your Portable Charging Kit, trust Honda to deliver exceptional products and services. Visit Honda Home Electrification to get a quote. One of our dedicated Energy Advisors will be happy to answer your questions, provide personalized guidance, and coordinate the installation details so you don't have to. What's more, when you use an HHE installer, you'll receive additional warranty support for extra peace of mind.
