PROTECTION WITH STYLE

ROCK SLIDERS

Helps protect and shield your Passport's vulnerable side body areas against dents and scuffs in rugged terrain.

- Designed not to reduce overall vehicle ground clearance
- Made from 6063 aluminum for superior corrosion resistance and strength; features a 1.5 mm thick 304 stainless steel plate

Cannot be installed with Tube-Step Running Boards.

FRONT SCUFF PLATE

A shield for the engine and undercarriage designed to help guard against road debris and other obstacles that can inflict damage and potentially require costly repairs.

- Powder-coated in sleek gray
- Recessed fasteners provide a smooth surface leaving nothing to hang up on

Some components and colors may vary. Please see your Honda dealer for details.
