This is what we're made of

There's a lot of smart thinking that goes into every Honda. But don't mistake the attention to detail for a delicate machine. You'd be wrong. Because whether it's a truck, an SUV or a hatchback, every Honda has always been built with the capacity to shatter expectations off-road, on-road or at the track.

Ridgeline RTL shown in Lunar Silver Metallic with HPD™ Package.
CRF 250L shown.

Honda reminds you to properly secure cargo items and follow all applicable load limits and loading guidelines.

Built with the capacity to amaze

Every challenge is an opportunity. And every Honda loves a challenge. It's what drives us to design intelligent all-wheel-drive systems that can overcome the harshest conditions. And durable engines that are proven to withstand the test of time.

Honda reminds you to properly secure cargo items and follow all applicable load limits and loading guidelines.

Racing is at the heart of what we do

Without racing, we wouldn't be where we are today. Whether it's on the street, the track or down unpaved roads, every Honda is descended from a racing spirit. That's what drives us to compete and win at the highest level in motorsports.

Powering a different kind of journey

i-VTM4® AWD

A STRONG STATEMENT

Go ahead, put the Ridgeline to the test. With Intelligent Traction Management and a 5,000-lb towing capacity,² this pickup has the power to move other off-road vehicles by the truckload. It's also packed with the great thinking you'll only find in a Honda, like a lockable in-bed trunk,³ dual-action tailgate and i-VTM4[®] all-wheel-drive system with four different terrain modes.

Honda reminds you to properly secure cargo items and follow all applicable load limits and loading guidelines.

Explore even further

RUGGED, MEET OUTDOORS

Boasting a 280-hp³ engine and Intelligent Traction Management,* the redesigned Passport is no stranger to the great outdoors. And with the ability to traverse all kinds of terrain, the TrailSport edition's rugged good looks add to the excitement no matter what trails you're blazing.

*Snow mode only on 2WD trims. Snow, Mud and Sand modes on AWD trims. Honda reminds you to properly secure cargo items and follow all applicable load limits and loading guidelines.

HondaLink

TRAVEL SMARTER

Stay connected with your vehicle, right from your smartphone. The HondaLink® app[†] provides assistance, service and convenience, with compatibility across the entire Honda lineup. Visit [hondalink.com](https://www.hondalink.com) for more information on features and subscription services.

HondaLink Available Features

- Personal concierge
- Remote lock & unlock
- Emergency call
- Find my car
- Stolen vehicle locator
- Enhanced roadside assistance
- Automatic collision notification

[†]Depending on use, HondaLink can transmit to Honda and its providers a vehicle's location, speed and other operating conditions, information that may be tied to the vehicle identification number (VIN) and can be combined to create a track of a vehicle. For a full explanation of HondaLink functionality and Honda's data use and privacy policy, see owners.honda.com/hondalink.

Sustainability is in our nature

HYBRID

Honda is committed to reducing the carbon emissions from our products and operations, as we work towards our vision of a carbon-free society. According to the EPA, our lineup is the most fuel-efficient among full-line automakers.* In addition to our lineup of efficient hybrid vehicles, we've also entered into long-term virtual power purchase agreements (VPPAs) for renewable wind and solar energy, creating a net reduction of CO2 emissions equaling over 60 percent of our electricity usage in North America.

An unwavering quest for better

CR-V Sport Touring Hybrid shown in Lunar Silver Metallic with Honda Genuine Accessories.
CR-V Sport Touring Hybrid with Black Leather.

GET THERE EFFICIENTLY

Honda is committed to becoming carbon neutral by 2050, which starts with more vehicles like the CR-V Hybrid. It's equipped with a 204 total system horsepower powertrain¹¹ and standard all-wheel drive, delivering all the fun and utility you'd expect from a highly capable crossover.

Honda reminds you to properly secure cargo items and follow all applicable load limits and loading guidelines.

... CR-V **HYBRID**

Dreams define who we are

CONSCIOUSLY REFINED

The Accord has always pushed the boundaries of performance, comfort and efficiency. The Accord Hybrid does it all while spending even less time at the pump. With a 48-mpg city rating* and 212 total system horsepower,¹¹ it stands out as the most powerful hybrid in its class.

*48 city/47 highway/47 combined mpg rating for Hybrid and Hybrid EX-L. 44 city/41 highway/43 combined mpg rating for Hybrid Sport and Touring. Based on 2022 EPA mileage ratings. 550-mile driving-range rating for Hybrid Touring. Based on 2022 EPA and DOE (www.fueleconomy.gov) ratings. Use for comparison purposes only. Your mileage will vary depending on how you drive and maintain your vehicle, driving conditions, battery-pack age/condition and other factors.

... ACCORD **HYBRID**

Accord Hybrid Touring shown in Modern Steel Metallic.

The courage to challenge convention

BREAK THROUGH

Sleek doesn't describe most hybrids on the road, so it's a good thing the Insight isn't most hybrids. Once you get familiar with its stunning appearance, spaciouly appointed cabin, 55-mpg city rating* and ECON mode, there's no turning back. And that is how we define progress.

*55 city/49 highway/52 combined mpg rating for the EX trim. 51 city/45 highway/48 combined mpg rating for the Touring trim. Based on 2022 EPA mileage ratings. Use for comparison purposes only. Your mileage will vary depending on driving conditions, how you drive and maintain your vehicle, battery-pack age/condition and other factors.

Honda reminds you to properly secure cargo items and follow all applicable load limits and loading guidelines.

Confidence on the road

PASSIVE AND ACTIVE SAFETY

The vehicles we build are engineered with your loved ones in mind. It starts with the Honda-exclusive ACE™ body structure. In the event of a frontal collision, it distributes crash energy more evenly throughout the front of the vehicle. Advanced front airbags provide additional collision protection, with select models featuring SmartVent® airbag technology. Plus, every Honda comes standard with a multi-angle rearview camera¹² and Vehicle Stability Assist™ (VSA®) with Traction Control.¹³

Collision Mitigation Braking System™¹⁴

Lane Keeping Assist System¹⁵

Road Departure Mitigation System¹⁶

Adaptive Cruise Control¹⁷

Traffic Sign Recognition¹⁸

SAFETY AND DRIVER-ASSISTIVE TECHNOLOGIES

Honda Sensing® can help alert you to things you might miss while driving. This suite of safety and driver-assistive technologies was designed with complete coverage in mind. That includes adjusting brake pressure when an unavoidable collision is determined, adjusting steering to keep you centered in a detected lane and notifying you about posted speed limits using a small camera.
