THE SUV / MADE BETTER

The versatile Pilot combines rugged utility, smart functionality and Honda innovation.
Its refined interior comfortably seats eight and comes with an available power tailgate. Plus, Pilot has an impressive 25-mpg highway rating. Behold the Pilot. It's the SUV made better.
No matter where the drive takes you, the Pilot gets you there in comfort. Every model includes seating for eight adults, and the tri-zone automatic climate control is designed to keep the driver, the front passenger and the rear passengers as cool or toasty as they wish to be. The 10-way power-adjustable driver’s seat (EX and above) ensures that the captain is comfortable behind the wheel, and 16 different seating arrangements give you options galore for transporting everything from luggage to lumber.

60/40 SEATING
Stowing longer items while carrying passengers is no problem. Just pick a side.

FOLD-FLAT CONVENIENCE
With both second and third rows folded, 4-foot-wide sheets of drywall can be carried completely flat.

THE THREE-DAY WEEKEND MADE BETTER

WIDE OPEN SPACE
The 87 cu ft of cargo room means large items, like a pair of bicycles, can slide right in.

Honda reminds you to properly secure items stored in the cargo area.
The intelligent Multi-Information Display (i-MID) is your hi-res command center right up front. Scroll through your phone book, scan your music collection, add a personal photo as wallpaper, keep tabs on fuel economy and a whole lot more. 2 GB of internal storage comes standard, so you’ll have no shortage of musical options. Navigation models* feature an internal drive that holds up to 15 GB of music (up to 3,500 songs), and when you push the TALK button on the steering wheel, the Song By Voice® feature will play any song you request from your library.*

*Drive responsibly. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. For safety reasons, always launch your audio application or perform any other operation on your phone or audio device only when the vehicle is safely parked.
PLUGGED IN
Rear entertainment models include RCA inputs to display a video source—like a game console—on the 9-inch screen.

MUSICAL POSSIBILITIES
Stream your music wirelessly using Bluetooth® Audio or use the USB Audio Interface® to connect your iPod®.† Models with navigation can play your music with Song By Voice.

SEE WHAT’S BEHIND
All models come with a standard rearview camera. Navigation-equipped models include a rearview display with multiple viewing angles. Select Normal, Wide, or Top mode for extra back-up precision.

FIND YOUR DESTINATION
The available navigation system keeps you on track with turn-by-turn directions, while the free FM Traffic feature helps you avoid gridlock.*

DVD ENTERTAINMENT
The rear entertainment system features a vivid 9-inch flip-down screen (available on EX-L; standard on Touring).

FIND YOUR DESTINATION
The available navigation system keeps you on track with turn-by-turn directions, while the free FM Traffic feature helps you avoid gridlock.*

MUSICAL POSSIBILITIES
Stream your music wirelessly using Bluetooth® Audio or use the USB Audio Interface® to connect your iPod®.† Models with navigation can play your music with Song By Voice.

SEE WHAT’S BEHIND
All models come with a standard rearview camera. Navigation-equipped models include a rearview display with multiple viewing angles. Select Normal, Wide, or Top mode for extra back-up precision.

*Some roads unverified. Please see your Honda dealer for details.

THE SCENIC ROUTE
MADE BETTER

Your right foot and left brain will love the 3.5-liter i-VTEC® V-6 under the hood. The engine not only generates 250 hp and 253 lb-ft of torque, but it’s also built for fuel efficiency.\(^2\) Variable Cylinder Management™ (VCM\(^*\)) technology activates or deactivates certain engine cylinders, giving you power when you need it and more miles between fill-ups when you don’t. And you can feel good knowing that the Pilot is an Ultra-Low-Emission Vehicle (ULEV-2)\(^*\).

25 MPG / HWY RATING

Pilot EX-L shown in Alabaster Silver Metallic.
VEHICLE STABILITY ASSIST™

Vehicle Stability Assist (VSA)™ helps sense oversteer or understeer, and brakes individual wheels and/or reduces engine power to help keep you on your intended course.

*BRAKE ASSIST

Brake Assist, a component of the anti-lock braking system (ABS), helps apply full braking force in some emergency situations.

THE UNFAMILIAR DETOUR MADE BETTER

ACE™ BODY STRUCTURE

The Honda-exclusive Advanced Compatibility Engineering™ (ACE) body structure enhances occupant protection and crash compatibility in frontal collisions.

Honda is committed to providing safety for everyone. That means crash protection that focuses not only on our own drivers and passengers, but on the occupants of other vehicles, as well as injury mitigation for pedestrians. We are dedicated to identifying and implementing new, advanced designs and features that help enhance safety on the road.

*VSA is not a substitute for safe driving. It cannot correct the vehicle’s course in every situation or compensate for reckless driving. Control of the vehicle always remains with the driver.
SIX AIRBAGS
Every Pilot has standard front, front side, and side curtain airbags* that can help reduce the likelihood of injury in a collision.

CHILD SAFETY
The Pilot is equipped with LATCH (Lower Anchors and Tethers for CHildren) in all three second-row seating positions and the passenger-side third-row position.

TIRE PRESSURE MONITORING
The Tire Pressure Monitoring System (TPMS)* alerts the driver when pressure in any tire becomes significantly low. Navigation models display the current pressure of each tire.

*Honda reminds you and your passengers to always buckle up. Children 12 and under are safest when properly restrained in a rear seat.
Bring on the potholed city streets and unpaved country roads. Nearly eight inches of ground clearance and available 4-wheel drive keep you confident behind the wheel. Hill start assist helps prevent rollback when you stop and start on a hill, and if you like to take your toys with you, 4,500 lbs (4WD) of towing strength should get the job done.

Pilot is Honda intelligence and versatility at its finest. So, wherever you need to go, hop in a Pilot and make the drive better.

THE SUV MADE BETTER
### FEATURES
- **Hidden Storage Well**
- **Floor Mats** (2nd-Row)
- **Integrated Sunshades**
- **Ambient Console Lighting**
- **Map Lights** (All Rows)
- **115-Volt Power Outlet**
- **12-Volt Power Outlets**
- **Tilt and Telescopic Steering Column**
- **Multi-Functional Center Console Storage**
- **Illuminated Steering Wheel-Mounted Controls**
- **HomeLink®**
- **Leather-Wrapped Steering Wheel**
- **Cruise Control**
- **Power Door and Tailgate Locks**
- **Power Windows with Auto-Up/Down Driver’s and Front Passenger’s Window**
- **Bluetooth®**
- **Honda DVD Rear Entertainment System**
- **i-MID with 8-Inch WQVGA (480x320) Screen, Customizable Feature Settings**
- **Multi-Angle Rearview Camera with Guidelines and Compass**
- **Honda Satellite-Linked Navigation System™ with Voice Recognition, FM Traffic, tri-zone Automatic Climate Control System with Humidity Control and Air Filtration**
- **Body-Colored Parking Sensors**
- **Multi-Reflector Halogen Headlights with Auto-Off**
- **Fog Lights**
- **Roof Rails**
- **Integrated Class III Trailer Hitch / Pre-Wired for Trailer Harness**
- **Rear Privacy Glass**
- **Acoustic Windshield**
- **Body-Colored Power Side Mirrors**
- **Security System**
- **Remote Entry**
- **Tailgate with Lift-Up Glass Hatch**
- **LED Multi-Reflector Tail Lamp with Auto-On/Off**
- **Heated (4WD) with Memory**
- **Integrated Turn Indicators**
- **Heated (4WD) with Power Tailgate**
- **Body-Colored Power Mirrors**
- **Cruise / Audio / Phone / Navigation** (Available)
- **Bluetooth® HandsFreeLink®**
- **Honda DVD Rear Entertainment System** (Available)
- **Power Windows with Auto-Up/Down Driver’s and Front Passenger’s Window**
- **Power Door and Tailgate Locks**
- **Cruise Control**
- **Power Tailgate**
- **HomeLink® Remote System**
- **Illuminated Steering Wheel-Mounted Controls**
- **Multi-Functional Center Console Storage**
- **Tilt and Telescopic Steering Column**
- **12-Volt Power Outlets (Front, 2nd-Row and Cargo Area)**
- **Map Lights (All Rows)**
- **Ambient Console Lighting**
- **Integrated Sunshades (2nd-Row)**
- **Floor Mats**
- **Hidden Storage Well**
